TO WHOM IT MAY CONCERN

Character Reference Jainkarn Pitakkaittikool

I am pleased to make reference to the character and calibre of Jainkarn Pitakkaittikool.

I have known Jainkarn ('JK') for over 2 years and have regularly been involved in community activities with him including involvement with other mature young adults in exploring life's values and seeking to live with integrity.

I have always found Jainkarn to be considerate, thoughtful and organised. 'JK' has assisted me with several significant community work projects as well as discussions regarding optimising IT solutions. He has excellent initiative, learns quickly and is a definite team player.

I have no hesitation in recommending him for any engagement that requires a person of enthusiasm, honesty, willingness to work hard and IT savvy.

Feel free to call me for personal opinions at any time.

Yours faithfully

Nick Elith B.Eng.
